---

The first meeting of the Central Grant-in-Aid Committee (GIAC) for the year 2014-15 for considering proposals under the Scheme for Infrastructure Development Private Aided/Unaided Minority Institutes (Elementary Secondary/Senior Secondary Schools) (IDMI) and Scheme for Providing Quality Education in Madrasas (SPQEM) was held on 27.08.2014 at 3.00 p.m. under the Chairmanship of Secretary, School Education & Literacy. A list of participants is attached at **Annexure**. Ms. Meenakshi Jolly, Director, Department of School Education & Literacy welcomed the participants and presented the agenda for discussion and consideration of the Central GIAC.

**Agenda-1: Confirmation of the minutes of the meeting held on 10<sup>th</sup> February, 2014**

The Committee confirmed the minutes of the meeting held on 10-02-2014 as no objection was received from any quarter.

**Agenda-2: Action Taken Report (ATR) on the minutes of the meeting held on 10.02.2014.**

Action taken report was noted by the Committee. The Committee noted the Budget provision for SPQEM and IDMI for the financial year 2014-15 is Rs. 37500.00 lakh. Out of this, an amount of Rs. 523.96 lakh has been released to the State Governments under IDMI. However, no amount has been released under SPQEM so far.

**Agenda-3: Proposals under IDMI for consideration of Central GIAC**

**(i) Infrastructure Development Private Aided/Unaided Minority Institutes (Elementary Secondary/ Senior Secondary Schools) (IDMI)**

The Committee was informed that fresh proposals had been received from Arunachal Pradesh, Mizoram and Tamil Nadu.

**(a) Arunachal Pradesh (2 proposals)**

The 2 proposals, one for grant for a hostel for boys and girls and other infrastructural facilities such as classroom etc. and the second proposal for a girls' hostel from Arunachal Pradesh were discussed. It was brought to the notice of the committee that no minority certificate was attached with the proposals. In view of the above and also since there was no representative from Arunachal Pradesh the committee decided that these proposals would not be considered in the absence of any State government representative.

**(b) Mizoram (31 proposals)**

The 31 new proposals received from Mizoram requesting for grant for additional infrastructure were placed before the Central GIAC Committee for consideration and approval. The Committee examined all proposals under the scheme in the light of available infrastructure, class rooms in relation to enrollment of students and inter-district spread of proposals.

The Committee noted that two representatives were deputed for the meeting. However one of them was an OSD from Mizoram Bhawan, Delhi and the other was a design and building consultant from Mizoram. The Committee desired to know whether these officers had personally visited any of the concerned institutions to which a negative reply was given. The representatives could not elaborate the checks and monitoring methods used and the actual status about the proposals. The Committee was of the view that since no satisfactory replies to the queries of the Committee was given by the representatives and also since there was no representation from the State Government the proposals from Mizoram would not be considered. The representatives were also directed that the state Department may verify the authenticity of the proposals and the status of infrastructure available by visiting the institutions for which request for grant is made before forwarding the same to the Department.

**(c) Tamil Nadu (7 proposals)**

The Committee examined the 7 proposals of Tamil Nadu in the light of the guidelines of the scheme. It was also brought to the notice of the members that though all schools have been recognized by the State Education Board, however none of the proposals have a certificate of being a Minority Institute.

The representative from Tamil Nadu Dr. M. Palanisamy, Joint Director of School Education, Tamil Nadu clarified that Government issues minority status only for a certain period of time. On expiry of this time period, the institutions have gone to court and the Court has given directions that these institutions be considered as Minority Institutions. Hence all these institutions have been considered by the State Grant in Aid Committee as eligible for consideration for grants under IDMI only on the directions of the High Court.

Secretary desired to know if the Government of Tamil Nadu has been defending itself in the Court or has taken any stand on the directions of the Court that is whether it will go ahead with the decision of the Court or it would file an Appeal. The representative of the Government could not reply to the query and hence the Committee decided that pending clarification the proposals from Tamil Nadu would not be considered.

#### **Agenda-4: Proposals under SPQEM for consideration of Central GIAC**

The Department received renewal proposals from the States of Maharashtra, Uttarakhand, Madhya Pradesh and Tripura and fresh proposals from Maharashtra Madhya Pradesh, West Bengal, Haryana, Uttarakhand and Uttar Pradesh. The Committee took up the renewal proposals first for consideration.

## B. FRESH PROPOSALS

The Committee then took the fresh proposals received from the State Governments for consideration

### (i) Maharashtra

The Committee examined the proposal of 46 madarsas for the year 2013-14 received from the State Government. The Secretary asked Secretary, Madrasa Board, Maharashtra whether any visit to any of these madarsas was made by the State Government to check the functioning as well as the genuineness of these institutions on the ground level. The State Government representative informed that a few visits were made in some madarsas for which grant had been sanctioned in the past under the scheme. However, no visit was made to any of the madarsas in question. He also informed of some irregularities in a few madarsas. Since no verification of the madarsas seeking grants had been done, the committee decided to defer the proposals with direction to the State to make random inspections of a few madarsas.

### (ii) Madhya Pradesh

The Committee took the fresh proposal of 194 madarsas recommended by the State Government for the year 2013-14. Prof. Haleem Khan, member, CGIAC informed the committee that they follow a proper procedure for verification of the proposals. He apprised that the proposal of Madarsas are approved by the District Education Officer at the first step and then are forwarded to the Madarsa Board which in turn scrutinizes and forwards the same to the State Government.
